

June 5-7, 2019
Cagliari, Italy

Join us for the 7th edition of Sustainable Places! Europe's #1 destination for dissemination of research, collaboration, networking and the creation of market opportunities

Renowned for showcasing results coming out of the EU Horizon 2020 Framework Programme Sustainable Places prides itself on being an ideal platform for the dissemination of research, the conduct of workshops, EU project clustering and networking between stakeholders of all types. Download the call for proposals to submit your contribution type and tell us how we can help make Sustainable Places effective for you.

Conference Agenda

	Wednesday June 5th	Thursday June 6th	Friday June 7th
Morning	Pre-event project meetings Formazione CAM by GBC Italia	Workshops Technical Sessions	Workshops Closing Keynotes
Lunch	Welcome Lunch	Lunch	Farewell lunch
Afternoon	Opening Keynotes Workshops	Workshops Technical Sessions	Offsite visits
Evening	Gala dinner	Happy hour & performance	

Participants have the opportunity to submit technical papers for publication, organize workshops for individual projects or for the clustering of projects without papers, to display brochures, posters and prototypes in informal exposition areas (free of charge), or participate without a particular submission to the various sessions, workshops and networking opportunities. Each year, representatives of the European Commission have attended to hold contractor workshops, brief upcoming call topics, or present various initiatives of the European Framework Programme.

The Venue

Local event organizer

Omar Caboni - R2M Solution

It is with great pleasure that I invite you to the "Green Island" of Sardegna and to my home town of Cagliari. We are making a big effort to involve local stakeholders and I think you will really enjoy the event, people and spirit of Cagliari!

Lazzaretto Cultural Center. Via dei Navigatori, 1, 09126 Cagliari CA.

And if needed, the municipal city hall and University of Cagliari can provide spaces for project meetings, parallel sessions or locations for special requests / events. We invite everyone to make the most of Sustainable Places 2019.

Special requests, project meetings or events all week long free of charge
